## TABLE TENNIS COMPETITION ETERNIA 2025

### **Rules**

#### A. Singles Match Rules

##### 1. Match Format:

The number of sets per match to be played will be decided according to the number of participants and the tournament schedule.

##### 2. Scoring System:

Each game is played up to 11 points. A player must win by at least 2 points (e.g., 12–10).

If only one set is played (as per schedule), it will be played up to 21 points, with a 2-point margin required to win.

##### 3. Service Rule:

The player must throw the ball vertically upward at least 16 cm (approximately 6 inches) without spin.

The ball must be struck as it descends, ensuring it is hit behind the end line and above the level of the playing surface.

The serve must first touch the server's side of the table, then cross over (or around) the net, and touch the receiver's side.

Each player serves two consecutive points, after which service changes to the opponent.

If the serve touches the net but lands correctly (let serve), it is replayed without penalty.

Deuce rule (both 11 and 21 point formats): once play reaches deuce (10–10 in an 11-point game or 20–20 in a 21-point game), service alternates every single point until one player achieves the required 2-point lead.

##### 4. Change of Ends:

Players will only change ends in a 21-point game when one player reaches 10 points.  
(No change of ends will occur in 11-point games.)

## 5. Conduct & Reporting:

Players must report within 5 minutes of their match call.

## B. Doubles Match Rules

### 1. Match Format:

The number of sets will be determined based on the number of participating teams and available time.

### 2. Scoring System:

Each game is played up to 11 points, and a team must win by at least 2 points.

### 3. Service Rule:

The serve must be made diagonally, from the server's right-hand half to the receiver's right-hand half.

The ball must first touch the server's side, then cross the net and touch the receiver's side diagonally opposite.

Each player serves two consecutive points before the serve rotates.

The correct serving sequence must be maintained (e.g., A1 → B1 → A2 → B2). An incorrect sequence results in loss of point.

Deuce rule (both 11 and 21 point formats): once play reaches deuce (10–10 in an 11-point game or 20–20 in a 21-point game), service alternates every single point until one player achieves the required 2-point lead.

### 4. Sequence of Play:

After a valid serve, players must strike the ball alternately in the correct rotational order — partners cannot hit the ball twice consecutively.

### 5. Fair Play & Coordination:
